

PROCEDURES

HOW TO START A CLAIM

1. To start a claim with ECOGARD, please call our Technical Hotline at:

 **1-(877) 229-1814**

2. We will log your information and assign a **claim number (CCN#)**.
3. If claim product is available, we will create a UPS return label and email it to you along with further instructions.
4. Upon return of claim product, evaluation will be completed and an engineering response will be sent to you within 5 business days.
